Re: Request for a Copy of the Updated Identified Business Entity List for CES Environmental Services, Inc. – Houston Superfund Site.

Dear Mr. Werner and Ms. Salinas,

Pursuant to our phone conversation on March 4, 2015, National Oilwell Varco would like to consolidate our various entities into a single responding party. Therefore, under the Freedom of Information Act, we respectfully request a current copy of the updated list of identified business entities in which have been identified as potential responsibly parties that could have liability associated with the management and cleanup of the CES Environmental Services, Inc. – Houston Superfund Site.

If there are any fees for copying these records please inform me prior to making the copy. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest because it is likely to contribute significantly to the public understanding of the operation or activities of government and is not primarily in National Oilwell Varco's commercial interest.

Please note that 5 U.S.C. § 552(a) (6) requires agencies to respond within twenty days. Thank you for your prompt response. If you have any questions or comments please do not hesitate to contact me at 713-375-3732.

Sincerely,

NATIONAL OILWELL VARCO
